A Weekly Sunday Evensong Calendar
for the Year of Our Lord, 2023

From the 1662 Book of Common Prayer

This calendar combines the "*Proper Lessons* to be read at Evensong throughout the year," which are always taken from the Old Testament, with the allocated *Second Lesson* from the daily Evensong lectionary. Each week the OT readings will therefore flow together, while the NT readings will jump forward. Hopefully this will encourage the congregation to follow along with the NT readings in their own time, however, the NT readings are specially designed to thematically link with the OT *Proper Lesson*.
